

FINANCIAL ARRANGEMENTS

We are happy to travel and talk about the energy development and land struggles in the Black Hills area. However, for all events outside the speaker's home town, travel must be paid. We will arrange a vehicle, buy tickets, and make reservations, if that is more convenient for you. Food and lodging are considered travel expenses, although we are happy to share someone's home.

Outside South Dakota, we generally require an honorarium. Honorarium checks are fully tax-deductible and should be made out to "Black Hills Alliance" and sent directly to Rapid City, unless other arrangements are made.

SLIDE SHOW

Our 40-minute slide show comes with a script and rents for \$35.00. You can also purchase the slide show for \$75.00. It offers excellent photos and information on uranium exploration, mining and milling and the effects they have on people, the environment, and the local economy.

OUR SPEAKERS

Everyone on our Speakers' Bureau lives and works in western South Dakota. Unless special arrangements are made with our Rapid City office, these are the only people who can speak for the Black Hills Alliance. If you are approached by someone who says they can speak for our group, please verify this with Rapid City before scheduling.

Rapid City, South Dakota 57709
(605) 342-5127**

The Black Hills Alliance Speakers' Bureau has a number of qualified people who can talk to your organization or event on a variety of subjects. We also have a slide show on energy development in the Black Hills which you can rent or buy.

We invite you to look over this list and see which topic or topics might be of interest to your students, club members, or community. These are only general topics, and our speakers can be more general, more specific, or talk on related subjects.

BLACK HILLS ALLIANCE SPEAKERS' BUREAU

Raymond Beaulieu

Corporate Concentrations of Power and Influence; The Trilateral Commission. Mr. Beaulieu is coordinator of our Research and Documentation Department.
